

WITHDRAWALS/CONDEMNATION MOUNTAIN HOME AFB

✦ Well #10 is located off-site at C. J. Strike Reservoir.

1. In 1943, the express language of PLO 109 withdrew from the public domain only the "public lands" contained in the nine enumerated sections which now comprise Mountain Home Air Force Base. PLO 109 did not particularly describe which land was public.

2. In 1944, the remaining lands in the nine enumerated sections were particularly described and acquired through condemnation proceedings. The land acquired by condemnation is indicated by [REDACTED].

3. In 1954, PLO 987, particularly described the lands that were withdrawn for Mountain Home Air Force Base and revoked PLO 109 as applied to those same lands. None of the condemned land was described. The reserved lands are indicated by [REDACTED].
