**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

IN RE: THE GENERAL ADJUDICATION OF RIGHTS TO THE USE OF WATER FROM THE BEAR RIVER BASIN WATER SYSTEM <hr style="border: 0.5px solid black;"/>)))))))	Case No: 79576 ORDER SETTING COMMENCEMENT HEARING AND PROCEDURES FOR HEARING
--	---------------------------------	---

I.

BRIEF PROCEDURAL BACKGROUND

Idaho Code § 42-1406C(1) authorizes the filing of a petition to commence a general water right adjudication within the terms of the McCarran Amendment, 43 U.S.C. § 666, for the determination of the water rights from surface and ground water sources of the Bear River basin water system.

Idaho Code § 42-1406C(3) provides that the petition may be filed in any district court in which any part of the water source is located or before a court of special jurisdiction for water right adjudications. The statute also provides that unless otherwise ordered by the Supreme Court, special jurisdiction for the water rights adjudication resides in the Snake River Basin Adjudication District Court of the Fifth Judicial District of the State of Idaho, in and for the County of Twin Falls.

On June 17, 2020, the Idaho Supreme Court issued an *Order Re: Appointment of District Judge, Confirmation of Special Jurisdiction and Determination of Venue for the General Adjudication of the Bear River Basin*, designating the Snake River Basin Adjudication District Court of the Fifth Judicial District of the State of Idaho as the county and court of venue for this general adjudication proceeding.

On November 20, 2020, the State of Idaho (“Petitioner”) filed a petition pursuant to Idaho Code § 42-1406C(1) for the commencement of a general adjudication *inter se* of

all rights arising under state or federal law to the use of surface and ground water for the Bear River basin water system and for the administration of such rights (“*Petition*”). The *Petition* provides that the commencement of the general adjudication is made conditional on a determination by the district court that it is possible to defer the adjudication of domestic and stock water rights as defined by subsections (4) and (11) of section 42-1401A, Idaho Code, within the terms of the McCarran Amendment.

II.
