

President signing a federal settlement act. As the parties await the approval of Congress and the President, they have agreed on a waiting process. Presiding Judge Eric Wildman issued an order recognizing this approach. Judge Wildman issued an ***Order Adopting Stipulated Process for Effectuating a Settlement*** (Dec. 31, 2025) which recognizes the approval procedures which must take place.

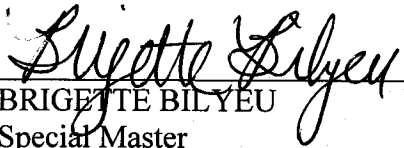

It is therefore understood by the Court and the parties that the ***Special Master's Report and Recommendation*** of these state-based rights are closely related to Consolidated Subcase 91-07755. As a result, it is understood that the adoption of the ***Special Master's Report and Recommendation*** will be subject to finalization of the *Settlement Agreement* by all parties including the United States. Consequently, it is expected that once this ***SMR&R*** is filed, it shall be sent to the Presiding Judge with a recommendation that all further action on these related state-based claims be held or stayed until finalization of the *Settlement Agreement*.

II. CONCLUSIONS OF LAW

Based on the file and record herein, IT IS RECOMMENDED that this water right be **decreed** with the elements set forth in the attached ***Special Master's Recommendation for Partial Decree***.

However, IT IS FURTHER RECOMMENDED THAT NO ACTION SHOULD BE TAKEN ON THIS SUBCASE until the finalization of the *Settlement Agreement* in Consolidated Subcase 91-07755.
